Our popular **Standard Fixed Frame** is a stress resistant, straight frame for **general hand truck use** and offers maximum shock absorption and durability.

This durable **handtruck** features a **dual grip vinyl handle** that comes with an E4 (44") channel extension. The total **hand truck** height with this handle is 48".

This **handtruck** also comes with a **cast aluminum nose plate** that is 14" wide x 7.5" deep with a recessed heel.

Our most popular wheels are the **full pneumatic 4-ply 10"** wheels. They are a **great general-purpose wheel** with a 2 piece hub, zerk fitting and ball bearings for lots of easy rolling! Capacity is 350 lbs. per wheel*. *Wheel capacity ratings do not reflect **hand truck** ratings. Maximum hauling for **hand truck frame and nose plate** is 500 lbs. This truck features our **standard stair glides** made of cast aluminum and have low-friction acetal skid bars. They are great for easy moving on stairs and over curbs.

This hand truck is made in China, and assembled in the USA.
