Semi Pneumatic 8" Handtruck, Cart or Portable Equipment Wheel

Part #: SN2-648.207.xx3y

These quality 8" flat free and puncture proof wheels are cost and time-saving replacements for pneumatic and semi-pneumatic tires. They can be used on handtrucks, carts and any portable equipment that needs maintenance free tires. They feature ribbed tread, solid rubber tires mounted on rugged, durable, polypro hubs. 440 lb. capacity per wheel, 2-1/4" offset hub with ball bearings and a 5/8" bore. Also available in centered hubs from 1-3/4", 2-1/4", 2-1/2" and 3-1/4", Delrin and Roller bearings, and bore sizes of 1/2", 3/4" and 1" in the Delrin only.

- Wheel Size: 8" x 2"
- Tread Size: 1.5"
- Capacity: 440 lbs.
- Hub: 2-1/4" offset
- Bore Size: 5/8"
- Bearings: Ball bearings
